

2020 Sponsorships

MCHBA gives you more than ever
for your association support!

The MCHBA Spring Home & Garden Expo is the longest-running and most successful home remodeling show in Moore County. This will be the event's 34th year. We plan to make 2020 the most successful show ever — with your help.

As a sponsor you get to brand your business with more than \$15,000 worth of advertising, the opportunity to market your product for three days to all attendees, and the chance to put your business front and center with the area's fastest-growing business association. It's an opportunity you shouldn't miss!
